WFC BACKGROUND

Women for Change (WFC) is a national non-governmental organization (NGO) that was formed in 2016 and legally registered in 2018 by a group of South Sudanese women from diverse backgrounds who shared a common goal of supporting the well-being and economic stability of widows, school dropouts, and children affected by intentional and unintentional causes. WFC is a women led and women centered organization that is driven by humanity and is committed to implementing programs that promote general protection, GBV AOR, child protection, sexual reproductive health (SRH), education in the sector of technical vocational education training, advocacy, peacebuilding, conflict management, and sustainable livelihood programs such as IGAs. WFC has worked with several Partners who technically and financially support our programs in the states of Central, Eastern Equatoria, Warrap, Jonglei and Northern Bahr el Gazal state. Since inception in 2016, WFC's interventions have impacted over 300,000 women, children, and their families across all its Operational areas in South Sudan,

GOVERNANCE STRUCTURE & HUMAN RESOURCE

THE DIRECTOR
 Anna Tazita Samuel is a procurement specialist, an entrepreneur, she is the Executive Director of Women for Change (WFC), a national organization that works to empower women and girls through education, entrepreneurship, and leadership dev't.

THE BOARD
 The board and senior management of Women for Change are committed to working for the advancement of WFC's strategic direction to achieving its mission in South Sudan.. They are a diverse group of women and men with a wealth of experience in the areas of general protection, economic empowerment and advocacy.

THE STAFF
 Women for change has a number of staff at the HQ and the field based offices who work in communities across states of South Sudan. These staff are responsible for the day to day running of the organization's programs providing direct services to women and girls, such as protection trainings, psychosocial support, economic empowerment training, and peacebuilding

OUR WORK
 WFC has made significant progress in advancing the rights and opportunities of women and girls, has helped to increase access to livelihood programs, psychosocial support, GBV prevention and response awareness, provide economic empowerment training, and promote peacebuilding. WFC is committed to continuing its work until all women and girls in South Sudan can enjoy their full rights and freedoms.

WFC MANAGEMENT AND GOVERNANCE STRUTURE

Women for Change (WFC) has a well-structured governance system that is committed to gender equality and effective management. The board of directors is composed of five members (all women) and the senior management team is composed of (6), three women and three men. This gender balance ensures that the organization's decisions are made in a way that reflects the needs of both women and men. WFC governance system is also committed to effective management. The board of directors sets the organization's strategic direction, while the senior management team is responsible for implementing that direction. The board and senior management team work together to ensure that WFC is effectively carrying out its mission of promoting gender equality and women's empowerment in South Sudan.
